PROFILE

Motivated and eager-to-learn student currently pursuing a Bachelor of Science in Information Technology at Samar State University. I am seeking an On-the-Job Training opportunity where I can apply my academic knowledge in a real-world setting, enhance my technical skills, and gain valuable industry experience. I am committed to producing quality work, learning continuously, and contributing positively to the organization.

SKILLS

- UI/UX Designing (Figma, Prototyping, Wireframing)
- Web Development (HTML, CSS, JS, PHP)
- Layout/Graphic Designing (Canva, Poster, Logo, etc.)
- Basic Video Editing Skills (Capcut)
- Technical Drawing & Sketching (Manual Drafting, Plates)
